### **Section 3: Attendance Policies & Procedures**

Students are required and expected to be at school whenever it is in session. State law as defined in Florida Statute 1003.21, (1) (a) requires all children who have attained the age of six years or who will have attained the age of six years by February 1, of any school year or who are older than 6 years of age but who have not attained the age of 16 years, except as otherwise provided, to attend school regularly during the entire school term. \*\*\* Students on state scholarships may not exceed 10% in unexcused absences.

Florida Statute 1003.01 (\*) defines a habitual truant as a student who has 15 unexcused absences within 90 calendar days with or without the knowledge or consent of the student's parent.

Within the guidelines of the Florida Department of Education, elementary students must be in class each year for 800 hours. Secondary students are required to be in class 135 hours per academic subject.

**Montessori: Pre K-3<sup>rd</sup> grades** 8:00 a.m. – 8:30 a.m.

Montessori students who arrive after 8:30 will need to sign in at the Front Office. Montessori students are tardy after 8:30.

The teachers sincerely appreciate your consideration and cooperation in respecting this time. Teachers are available daily at 3:15.

Arrival/Dismissal Procedures may be modified for safety and efficiency at any time. Charlotte Preparatory School is a parent drop off and parent pick up campus only.

#### **Absences**

Parents/guardians are to notify the school by 8:30 a.m. when a child is absent from school.

- All students are required to attend ninety percent (90%) of all classes in an academic year, regardless of the nature of any absence, i.e., excused, unexcused, family vacations etc. Any student whose absences exceed these limits is at risk of (1) being retained in grade, (2) not receiving class credits or (3) being excluded from enrollment at Charlotte Prep.
- More than five absences in a quarter marking period will be reviewed by the Head of School.

### **Planned Absences**

Parents/guardians should plan vacations around the school calendar.

- If special family needs or occasions occur during the school year, please notify the head of school, in writing, at least a week in advance of when absences are anticipated. The Head of School will check the yearly attendance and will approve the preplanned absence as long as the child is not in jeopardy of going below the ninety percent (90%) yearly attendance requirement.
- It is the responsibility of the student to notify teachers in writing at least 24 hours in advance of a planned absence so teachers may gather the student's work.

### **Make-up Work**

Students have two school days to make up work for each day of school missed. It is the responsibility of the student to request make-up work upon his/her return to school.

- Parents/guardians may call the school to request work for absent students. Requests are to be made before noon for work to be available for pick up after 3:30 p.m.

### **Tardiness**

4<sup>th</sup>-8<sup>th</sup> Grade students are tardy after 8:15 a.m., Preprimary and Lower Elementary students are tardy after 8:30 a.m. Tardy students must check in at the Front Office and will be escorted to class by a staff member.

- Three tardies in one marking period will equal one absence for that marking period.
- Tardies will be excused with written notes regarding doctor appointments or emergencies but will still count towards the total.
- Tardiness interferes with the student's opportunity to focus and impacts the entire class's morning procedures. Punctuality is critical to effectively utilize all available instructional time. For severe cases of tardiness, HOS may require students to come before school starts or stay after school to make up school time lost.

### **Early Dismissal**

If a student needs to be dismissed during school hours for a special appointment, parents/guardians are to contact the school to notify the Front Office. Students will be escorted to the Front Office to be picked up and signed out by the parent/guardian or persons authorized on the student enrollment form.

- An early dismissal is on or before 2:00.
- Three early dismissals in one marking period will equal one absence for that marking period.
- Early dismissals will be excused with written notes regarding doctor appointments or emergencies but will still count towards the total.
- Early dismissals interfere with the student's opportunity to focus and impacts the entire class's afternoon procedures.

### **Extended Day Program**

The program is available when school is in session from 3:15 p.m. to 6:00 p.m. Hourly charges apply for any part of an hour. The first hour is from 3:15-4:15 p.m., the second hour is 4:15-5:15 p.m., and then 5:15-6:00 p.m. A dollar-per-minute charge is applied for pick up after 6:00. Extended Day Program charges are billed daily. The parent and school verify the pick-up time with a parent signature.

At 3:30 our office is closed and the phone will not be answered. However, you can reach the Extended Day Coordinator by calling 941-764-7673 at extension #310.

### **Storm Closings**

If severe weather conditions make travel hazardous, school may be postponed, closed early or canceled. Charlotte Preparatory School makes this decision independently of the Charlotte County Public School system; however, most times Charlotte Prep will follow the public school system's actions when making the decision. The decision will be announced on local television stations after 6:30 a.m. of the same school day, and communicated via ParentsWeb email as conditions permit.

Charlotte Preparatory School is a private, non-sectarian school. The members of Charlotte Preparatory School acknowledge that there are many diverse religious beliefs and forms of religious expression. The school therefore deems that religious education is best provided by a child's parents/guardians and by the family's chosen place of worship. Charlotte Preparatory School prohibits religious education as part of any class curriculum, or the promotion of one religion above another.

Charlotte Preparatory School is a place of learning. Therefore, it is the policy of Charlotte Preparatory School that teachers may respond to student questions about religion or religious beliefs and practices to the best of their ability. Teachers may direct curious students to appropriate books or other reference materials and shall suggest that students discuss their questions with their parents/guardians and clergy. Classrooms may learn of different religious observances as part of cultural studies.

While there shall be no school-sponsored, organized religious observances, private, individual religious expression that does not conflict with Charlotte Preparatory School's mission or policies is permitted.

### **Books, Materials and Supplies**

The school furnishes books, materials, and most of the necessary supplies. A list of supplies to be provided by the parents/guardians will be made available by the classroom teacher and posted on the school website before the beginning of the school year.

#### **Additional Supplies**

- All students should bring a backpack or other type of bag to school each day. Students with lockers must be sure the backpack fits completely within the school locker.
- All student textbooks must be covered at all times.
- Three-year-old and younger students must have a 1-inch thick rest mat with an impermeable surface for the required afternoon rest period.
- Preprimary students must have a change of clothes including underwear in their cubbie. On the first day of school clothes should be brought in a clear plastic bag with the child's name on it.

- Charlotte Preparatory School will bill the financially responsible party of a student for damage to or loss of textbooks, classroom materials, equipment, or furniture through either intent or neglect by the student.

### **Lockers**

School lockers are the property of Charlotte Preparatory School, and students are personally responsible for the proper use and care of assigned lockers. Students sign locker contracts agreeing to terms of use listed on the contract, and locker privileges may be revoked if the contract is violated. Parents/guardians sign the same contract assuming financial responsibility for repairing or replacing locker damage caused by misuse or negligence by their student. Lockers may be searched by school personnel in upholding school policies or for student or school safety.

### **Lunch and Snacks**

Students may bring their lunch from home or order through local vendors. If the lunch is coming from home, please pack a well-balanced nutritious meal and make sure that your child's name is clearly marked on his/her lunch box. Students are encouraged to eat nutritious foods. Specifically, soda, candy, and overly caffeinated drinks are not allowed at snack time or at lunch.

Charlotte Preparatory School has made arrangements with local vendors to provide a limited menu of lunch choices for a reasonable cost. A monthly menu is available via the Charlotte Preparatory School Website. Completed lunch menus should be forwarded to the Front office. Lunches may be paid by check or credit card. Refer to the current year's program for details.

Each teacher arranges a snack time that suits the schedule and needs of the class. Snacks in Montessori classrooms will be provided in a variety of ways. At orientation, the teacher and parents will discuss the best snack plan for the school year. 4-8<sup>th</sup> grade students bring their own snacks.

### **Field Trips**

Periodically, classes will take field trips to local points of interest usually coordinated with subjects being studied by a class. Field trips may be scheduled to take advantage of special community events. Parents/guardians will be notified in writing at least ten calendar days in advance of all field trips.

**Parents/guardians choosing not to have their children attend a class field trip will be counted absent and must make their own arrangements for child care.**

Charlotte Preparatory School students are required to wear the school uniform hunter-green polo shirt and khaki-colored bottoms for field trips. Teachers may require that school uniforms be worn on field trips on Fridays, or that other appropriate apparel be worn on field trips on Monday through Thursday.

Field trip transportation is provided by parent/guardian volunteers. Volunteer drivers must complete a *Charlotte Preparatory School Field Trip Chaperone/Driver & Vehicle Information* Form each school year. Upon verification of acceptability from the school's Insurance carrier, a parent/guardian will be listed as a Chaperone/Driver. Each student must be in a safety seat/seat belt as indicated by Florida State law. Parent/guardian volunteers are required to follow all driving directions to and from the destination and to make only authorized stops. Unauthorized driving routes or stops to or from the school and destination may invalidate liability coverage. Only students enrolled at Charlotte Preparatory School can participate in field trips.

All Charlotte Prep school policies are in effect at all times for students on school field trips.

During the year, there will be extended field trips like our 8<sup>th</sup> grade trip. If you do not want your child to attend these extended trips we will accept other alternatives like career exploration days, community outreach days or the ability to stay at our school and help in one of our younger classrooms instead of being counted absent.

### **Birthdays**

Parents/guardians should consult with the classroom teacher in advance if they wish to send a treat to school in celebration of their child's birthday. To avoid hurt feelings, children may pass out invitations to a party given outside of school only if all of the students, all the students in the same grade level or all of one gender in the class are invited. Mailing invitations to selected classroom friends and/or the entire class prevents the loss of invitations.

### **Show and Tell**

Specific days will be designated for show and tell. Books and other educational material that might be of interest to all the children are welcome. Please be sure clearly label items with the child's name.

### **Toys/Entertainment/Electronic Devices**

Personal electronic devices (music players, game players, electronic readers, etc.) are prohibited on campus. Toys, games (electronic or otherwise), music, videos, etc., having to do with weapons, violence, mature content, or other inappropriate materials are strictly prohibited.

4<sup>th</sup>-8<sup>th</sup> grade students may have opportunity to listen to music, on individual devices, at teacher discretion. If given permission, students are not allowed to listen to music with violence, mature content, or other inappropriate lyrics.

Charlotte Preparatory School is not responsible for loss or damage of toys, entertainment, or electronic devices of any type.

### **Student Cell Phone Policy**

Student cell phones will be turned completely off and kept inside backpacks in student lockers **at all times** that students are on campus. Parents/guardians needing to contact students will call the Front Office to speak with students or leave messages to be forwarded. Students will request permission from a staff member to call a parent and will be allowed to do so at the staff member's discretion.

A student found to have used his/her cell phone on campus will have the phone confiscated, returned to the parent/guardian, and may be prohibited from having a cell phone in his/her possession on campus for the remainder of the school year. Further violations require administrative/parent conferences and may result in additional consequences.

### **Safety Drills**

In accordance with state regulations, safety drills will be conducted on a regular basis.

## **Section 5: Student Health**

### **When Your Child is Ill**

*These symptoms require a child to stay home or be picked up from school at the school's discretion and per State of Florida Department of Health policies.*

### **Illness at School**

Children who become ill or injured during the school day will be taken to the Front Office. Attempts will be made to reach the parents/guardians or the alternate person noted on the emergency form. Parents/guardians will be asked to pick up their sick child at the school's discretion. Please remember to keep your emergency information form up-to-date in the school office. We must be able to reach you at any time during the school day.

### **Emergency Care**

If your child needs immediate medical attention and you cannot be reached, the authorized person designated per your enrollment agreement will be contacted to make decisions on your child's behalf. We will continue our efforts to contact you.

### **Medication**

It is preferred not to administer medication at school. If the need arises, specific guidelines must be followed:

- Any medication brought to school must be left with the staff in the Front Office where it will be locked up.
- If a medication is to be administered, the parent/guardian must fill out an *Authorization to Administer Medication* form which may be obtained in the Front Office.
- All medication must be in its original container stating clear instructions for administering. This policy applies to prescription and over-the-counter medications. A new authorization form must be completed for each episode of illness and each new medication.
- Absolutely no medications, including aspirin, Tylenol, cough remedies, or other over-the-counter medications will be given or allowed to be taken at school unless authorization is submitted in accordance with the above policy.

### **Excused from Physical Education**

A note from a student's parent/guardian is required to excuse a student from one day of Physical Education class activities. ## **Section 6: Parents/Guardians and the School**

### **Fundraising**

Charlotte Preparatory School is a non-profit organization. Revenue from tuition and fees covers operating costs. The school conducts fundraising events and programs, while pursuing other philanthropic activities and opportunities. Support for these efforts may include charitable, tax deductible gifts from parents/guardians, trustees and friends of the school. The annual objective of fundraising is 100% participation by families, staff, and Trustees in raising funds in support of school growth and enrichment as identified by the school

### **Charlotte Preparatory School Parent Association**

The Charlotte Prep Parent Association supports the school with organized volunteer opportunities, special events, enrichment programs, and efforts in supporting Annual Giving and other fundraising goals identified by the school administration. According to its bylaws, the parent association organizational structure is an executive committee of officers who coordinate the committees in support of its goals identified each school year.

### **Volunteering**

One of the most valuable contributions that families make is the gift of their time and expertise. Family involvement is encouraged at Charlotte Preparatory School. Parents/guardians are encouraged to actively participate in their child's educational experience. All parents/guardians/volunteers must check in at the office by signing in and getting permission to go to the classroom by the head of school. After permission is granted parents/guardians/volunteers are not allowed to wander through the building and must stay in those areas where they were given permission.

We have many opportunities to volunteer at our school. Parents can join our many committees by contacting the Head of School or the committee chairman. Dates and times of committee meetings will be published in our weekly newsletter. Our Parent Organization Committee, Retention & Recruitment Committee, Annual Event Committee, and Technology Committee are looking for volunteers. Join us!

### **Communication**

At Charlotte Preparatory School, every effort is made to keep parents/guardians informed of the activities of students. Regular and specific communication occurs via, the school website, email updates and contacts, and print notices sent home in the children's backpacks. Prep's Upper School 4-8<sup>th</sup> grade parents/guardians can monitor assignments and grades online through Renweb. The staff encourages parents/guardians to leave a message, request a phone call, or schedule appointments should any need for communication arise. Appointments can be requested ahead of time through the Front Office.

### **Grievance Policy**

The purpose of this policy is to establish guidelines for the resolution of grievances for issues beyond the normal scope of the classroom. Good management practices recognize that a carefully designed

grievance process can help to increase morale, identify organizational problems, and reduce dissatisfaction.

Each class at Charlotte Preparatory School is its own entity and therefore follows its own individualized agenda throughout the school year. Montessori philosophy is based on individuality so to compare classes would be unjust to the school's philosophy.

#### **I. DEFINITIONS:**

- A. **Grievance:** A complaint arising from a circumstance or condition thought to be unjust or injurious.
- B. **Grievance Statement:** A written statement of the grievance and facts upon which it is based including a specific wrongful act and any harm done.
- C. **Chain of Communication:** A committee formed to settle grievances according to policy and to present recommendations for resolution of the grievance.

#### **CHAIN OF COMMUNICATION**

First Level / **CLASSROOM TEACHER**

Second Level / **HEAD OF SCHOOL**

Third Level / **BOARD OF TRUSTEES EXECUTIVE COMMITTEE**

Fourth Level / **BOARD OF TRUSTEES**

1. Lead Teachers are responsible for any Assistant Teachers working within their classroom and their students.
  - If there is a problem within the classroom a parent/guardian should start at the first level of the chain of communication. It is the Lead Teacher's responsibility to look into the concern and follow up within three days with written or verbal response to the parent/guardian.
  - Teachers are available for parents/guardians for phone conversations as their daily schedule permits, or for conferences scheduled after school.
  - If a solution cannot be reached a parent/guardian may bring concerns to the next level and so forth as outlined in the above guidelines.
2. If a grievance involves school policy and procedures and does not involve the classroom structure a parent/guardian should then start at the second level of the chain of communication.
  - It is the Head of School's responsibility to look into the concern and follow up within three days with written or verbal response to the parent.
  - If a solution cannot be reached a parent/guardian may continue at the next level for grievance resolution.

## **II. INFORMAL GRIEVANCE:**

Informal methods will be used to attempt to resolve grievances through the first three levels of the school's chain of communication. If there is a grievance or concern it needs to be communicated within one week of the occurrence.

- A. An initial attempt to resolve issues of concern regarding an incident is to verbally contact the respective people in the first three levels of the chain of communication until a solution to the grievance is found to be acceptable or formal grievance procedures must be initiated.
- B. People with a grievance will first contact the first level of the chain of communication.
- C. If the grievance cannot be resolved at the first level a person may request a conference at the next level. Each level of the chain of communication will have the opportunity to resolve the grievance, if possible.
- D. If a solution cannot be reached at the second level, either the individual with the grievance or the Head of School may contact a member of the Board of Trustees Executive Committee to seek an informal conference. Alternatively, the individual with the grievance may choose to initiate the formal grievance procedure.
- E. Throughout the informal grievance process each level will endeavor to respond to a stated grievance in a timely fashion or as soon as possible. Each person will have up to three days to review and respond to an informal grievance.
- F. If the informal process has been completed and has failed to resolve the grievance a formal grievance may then be filed.

## **III. FORMAL GRIEVANCE:**

Formal grievances evolve from failure of informal attempts to resolve differences. In the event that formal grievances have to be initiated, they will be documented in written, clear, and concise terms.

- A. The filing of a formal grievance will follow an attempt to resolve the grievance through the entire informal procedure. A formal grievance will be submitted no later than one week following the failure of the informal grievance procedure to reach a satisfactory solution.
- B. In order to begin the formal grievance procedure, the person filing the grievance will submit a memorandum detailing the following information to the Executive Committee.
  1. Identifying the grievance and the facts upon which it is based;
  2. All allegations of the specific wrongful act and if any harm was done.
- C. Upon receipt of the memorandum the Executive Committee will have up to five days to set up a conference with the person or persons to advise them of the existence of the grievance. How the grievance is presented to the person or persons will be under the discretion of the Executive Committee. During the conference the following will occur:
  1. A copy of the written grievance memorandum may or may not be given unless the grievant requests to review it in which case a copy will be provided;
  2. Or the grievance will be verbalized;
  3. The grievant will then have the opportunity to respond to the grievance in writing and submit it to the Executive Committee within five days.
- D. The Executive Committee will then have up to five days to review the grievance memorandum and the grievant's response. After review they will respond with their

recommendations or set up a conference with those involved. The Executive Committee review will consist of the following:

1. An analysis of the facts or allegations;
  2. Confirming or refuting the allegations in the grievance;
  3. Identifying any remedy or adjustments that could be made.
- E. If applicable the Executive Committee and the person or persons involved will jointly engage in seeking a suitable remedy.
- F. The Executive Committee will review the information and submit their recommendations to the Board of Trustees of Charlotte Preparatory School.
- G. Any actions taken with regard to an employee of Charlotte Preparatory School as a result of a grievance shall be kept confidential between Charlotte Preparatory School and the employee as required by law.
- H. If a written formal grievance involves a student or teacher and the allegations are justified it will be filed in their permanent records. The person will be notified that it is part of their permanent record at Charlotte Preparatory School and will have the right to review it if they so choose.
- I. All grievances will be handled as confidential and will only be discussed among the Executive Committee and those directly involved.

## **Section 7: Academic Policies & Procedures**

### **Agenda/Assignment Planners**

4-8<sup>th</sup> grade students are accountable for utilizing student planners or Google Calendar to keep track of homework and following through with assignments.

Students in grades 4-5 use the agenda book to record daily assignments. Our school requires the planner to be filled out and signed by the parent each day. If a student misses 3 assignments in any grading period the teacher will sign the planner for a specific time period. In addition, at the 3<sup>rd</sup> missing assignment the student will have after school detention, with the head of school, for each missing assignment for a specific time.

Students in grades 6<sup>th</sup> -8<sup>th</sup> grade will be required to use Google Calendar to record assignments. If a student misses 3 assignments in any grading period the student will have after school detention, with the head of school, for each missing assignment for a specific time.

**Plagiarism** - According to the Standard Encyclopedia Dictionary, to plagiarize is “to appropriate or pass off as one’s own writings, ideas, etc. of another.” Each student’s record is to reflect his own individual effort. When using a source for a paper, that source must be cited and not passed off as one’s own idea.

Our language arts teacher will talk with the students at the beginning of the school year about various types of plagiarism. Students and parents will be asked to sign a Plagiarism Pledge.

### **Conferences and Progress Reports**

Parent/guardian conferences are scheduled with the parents/guardians of all children at the end of the first marking period. A second conference will be scheduled around the 3<sup>rd</sup> grading period. A written

report will be in Renweb for parents at the end of each of the four marking periods. At any time parents/guardians or teachers may call for conferences to be scheduled.

Our teachers at Charlotte Preparatory School will contact parents if grades fall to a C or less for any grading period.

### **Classwork & Homework**

Homework is gradually introduced to the children in the Preprimary class to promote independent work habits and to reinforce the material being learned in class. Parents/guardians must help create the proper atmosphere and conditions for concentration and study. A quiet room in the home with ample lighting and space is suggested.

4-8<sup>th</sup> grade students are accountable for utilizing student planners or Google Calendar to keep track of homework and following through with assignments.

Students in grades 4-8 will have assignments that need to be started and/or finished at home. Assignments one day late will be penalized 25% per day. Some routine assignments may not receive the late option and may result in a zero if not turned in on time.

If a student misses 3 assignments in any grading period the student will have after school detention, with the head of school, for each missing assignment for a specific time.

### **Standardized Testing**

Achievement tests are used as one of the many ways to assess students and programs. Test results will be carefully and knowledgeably interpreted and will be shared with parents/guardians. For students in grades 3-8 the ACT Aspire will be administered in the spring each year to students from the third grade and up. Test results for third through eighth grade students are retained with the students' official school records.

Students in 6<sup>th</sup> -8<sup>th</sup> grades can qualify for Duke Tip. Duke Tip is Duke University Talent Identification Program.

### **Privacy of Student Files**

Student files are confidential and are kept secure from unauthorized access. Officials of the State or County Health Department and the State Department of Education may have the right to review student files without the parent/guardian's permission.

### **Request for Records**

Copies of school records or original State Department of Health forms will be provided only by written request by other institutions, and by verbal or written parent/guardian request. Requests will be honored within forty-eight hours of receipt of request. Charlotte Preparatory School reserves the right to retain part or all records until outstanding balances are paid in full.

### **Requests for Recommendations and Evaluations from Outside Agencies**

Requests for written recommendations must allow forty-eight hours to be completed. Student evaluations completed by teachers or other school personnel for external individuals or institutions will

be sealed and mailed directly to the requesting or applicable party or entity. Evaluations will not be released directly to the parents/guardians.

### **Withdrawal Procedure**

Thirty days written notice is required when withdrawing a child from the school. All outstanding balances must be resolved with the Business Office prior to student records being released. (Reference Withdrawal Financial Policies)

## **Section 8: Financial Policies**

### **Tuition Policies**

Being a not-for-profit organization, Charlotte Preparatory School is dependent on tuition as its principal source of income. All accounts are student-based. This means that all registration fees, tuition, and ancillary charges are recorded per student. All financially responsible parties per the signed Enrollment Agreement will be held liable in maintaining a current student account.

The registration fee is for curricular and classroom materials, is due for each student per school year, and is nonrefundable and non-transferable. The registration fee is due July 1<sup>st</sup> or before the first day attending for late enrollees. Paid registration guarantees the student's place at Charlotte Preparatory School.

The annual tuition may be paid one of three ways; Paid in full (due July 1<sup>st</sup>), Semester payment plan (due July 1 and December 1), 10-month payment plan (due the 1<sup>st</sup> of each month July-April). Families enrolling more than one child at full tuition will receive a 5% discount on the annual tuition of each additional sibling. The discount is applied to the lowest, otherwise unsubsidized, annual tuition amount.

Tuition Refund Plan may be purchased. (Reference Withdrawal Policy below)

### **Other Charges**

Ancillary charges (lunches, extended care, yearbook, etc) are due upon receipt of the bill. Other fees may be assessed based on Charlotte Preparatory School's budget, goals and objectives. These charges will be stated in the Enrollment Agreement, along with due dates and late charges.

### **Late Fees**

Late fees will be assessed for all **tuition fees** not paid by the 10<sup>th</sup> of each month. The fee is based on the payment plan selected during the registration process.

Late fees will be charged for any **ancillary charges** not paid in full within 30 days of due date. See Enrollment Agreement for current fees.

### **Accounts in Default**

Accounts with tuition balances past due of 45 days will receive a phone call from the Business Office or Head of School. At 60 days the account will be reviewed by the Finance Committee. The committee will determine as to potential future action which could include, but not limited to, student not being allowed to continue classes, scholarship/financial aid being suspended or revoked, forwarding account to

collection agency. A student with an outstanding balance may not register for the following year until such time the balance is paid in full.

### **Withdrawal Policy**

Being a not-for-profit organization, Charlotte Preparatory School is dependent on tuition as its principal source of income. All accounts are student-based. All financially responsible parties per the signed Enrollment Agreement will be held liable in maintaining our yearly revenue to operate our school.

If you need to withdraw before school begins the person(s) responsible for the student's tuition and fees notifies Charlotte Preparatory School in writing by July 1<sup>st</sup> that the student will not be attending Charlotte Preparatory School. The person(s) signed on the Enrollment Agreement will be obligated to pay the registration fee and the month of July.

If you need to withdraw after July 1<sup>st</sup> a sixty-day (60 day) written notice and the purchase of the tuition insurance is required. The tuition insurance is required to be relieved of any tuition obligation as long as exclusions listed below do not apply. Tuition obligation is based upon the number of months the child has attended the school plus two months.

### **Financial Aid**

Charlotte Preparatory School accepts students who support the school's mission of experiencing a challenging education in a nurturing environment. Families who are unable to meet the full cost of tuition may apply for Financial Aid, which supplements tuition payments. Charlotte Prep offers limited financial aid to families in the school. Decisions about Financial Aid are influenced by availability of funds, the number of applicants, and institutional needs. Families must apply each year to the Financial Assistance for Student Tuition (FAST) program. The Head of School will provide the applicant with the FAST information pamphlet and pre-addressed envelope. Recommendations made by FAST are processed by the Financial Aid Committee for final award amounts. The Financial Aid Committee will then provide the family with a written notification of the awarded amount.

Please visit [www.stepupforstudents.org](http://www.stepupforstudents.org) and [www.floridaschoolchoice.org/information/mckay](http://www.floridaschoolchoice.org/information/mckay) for information and applications to these programs. Applications are confidential.

Admission decisions are made need-blind in regards to the ability to pay tuition; decisions about Financial Assistance are made separately.

### **The Culture of Philanthropy**

Why do we give to Charlotte Preparatory School? Some give in pursuing the need to be patrons of something we deem worthwhile. Others give because they believe in the efforts of cultivating lifelong learners and leaders. Most give because we believe in the safe, nurturing learning environment and challenging academic curriculum that Charlotte Preparatory School provides to its students. This desire to give provides our children with extraordinary opportunities and experiences that will shape our children's lives.

When people give to Charlotte Preparatory School, they support the school's mission in cultivating their own children's future, and the futures of children to come.

## **Section 9: Discipline Policy**

Students are encouraged to experience Charlotte Preparatory School as a welcoming place for their growth and learning. Personal pride and consciousness of the needs and rights of others are fostered. Students are expected to treat the building and grounds with care.

Respect and responsibility are values for the entire school. Student behavior is expected to be appropriate for the particular situation and setting. Teachers manage student behavior within their classrooms. Students and teachers engage in discussions about behaviors and feelings and the well-being of each member of the class.

To ensure the safety and productive environment for all students, this discipline policy will be in effect for all students. Any student who willfully performs any act that materially interferes with or is detrimental to the orderly operation of a school, a school-sponsored activity or any other aspect of the educational process shall be subject to discipline, suspension or expulsion.

**Discipline Process:**

1. At Charlotte Preparatory School we will follow progressive discipline in most circumstances unless the behavior is severe in nature.
2. A staff member witnessing the offense will communicate with the student so he/she knows what was done is incorrect. The teacher should ask three questions: 1) What did you do? 2) What should you have done? 3) What are the consequences? After the student is counseled, the staff member will complete the demerit, indicating the offense and the number of demerits warranted as per school guidelines.
3. All discipline consequences will be recorded in FACTS, and parents will be notified via email or phone call.
4. **Disciplinary Probation:** A student on disciplinary probation indicates that the student has been involved in more serious or frequent violations of school behavioral expectations or rules. Probationary status is issued for a stated period of time, usually a semester or a full year. Any further disciplinary problems may result in suspension or expulsion. With academic or disciplinary probation comes a loss of privileges and closer supervision by teachers and advisors. The School reserves the right to question the student's continuance at Charlotte Preparatory School, if academic and /or behavior expectations do not meet the school's standards.
5. **Emergency Classroom Removal:** A student may be removed immediately from a class by a teacher or head of school without first attempting corrective action, provided that the teacher or head of school has good and sufficient reason to believe that the student's presence poses an immediate and continuing danger to the student, other students or staff or an immediate and continuing threat of substantial disruption of the class or educational program of the school. The removal shall continue only until:
  - The danger or threat ceases, or
  - Teacher or head of school acts to impose discipline, impose a short-term or long-term suspension or expulsion or to impose an emergency expulsion.
  - The head of school will meet with the student as soon as reasonably possible following the student's removal and take or initiate appropriate corrective action.
6. **Withdrawal/Expulsion from school:** If a student is asked to withdraw from Charlotte Preparatory School, the parents/guardians will be given specific charges in writing. The parents/guardians and student will be given a chance to appeal through the Executive Committee. The Executive Committee will make appropriate recommendations to the Board of Trustees who will make the final decision.
7. Charlotte Preparatory School explicitly prohibits the use of corporal punishment.

### Off Campus Conduct

The school's educational mission extends beyond academic and extracurricular programs to include the moral behavior of students. Charlotte Prep students are, therefore, held accountable for off campus conduct and behavior that in the judgement of school administrators negatively impacts the school community, is a distraction to a positive learning environment, involves the safety and well-being of other students, or threatens the positive reputation of the school. Examples of off campus conduct that may be addressed by the school include, but are not limited to:

- Words or actions threatening the safety, home, or property of another student or staff member;
- Harassing or offensive e-mails, text messages, letters or notes, or phone calls;
- Internet postings including words, images, and or videos that involve violence, indecency, or terrorism;
- Vandalism to the home or property of a student or staff member;
- Hazing;
- Rude, obnoxious, or disrespectful behavior;
- Alcohol or drug-related incidents; and
- Any arrests or incidents involving law enforcement.

### Prohibition of Harassment, Intimidation, Bullying & Hazing

Charlotte Preparatory School is committed to a safe and civil educational environment for all students, employees, parents/ guardians, volunteers, and patrons that is free from harassment, intimidation,

bullying or hazing. This policy is not intended to prohibit expression of religious, philosophical, or political views, provided that the expression does not substantially disrupt the educational environment. Many behaviors that do not rise to the level of harassment, intimidation, or bullying may still be prohibited by Charlotte Preparatory School policies or building, classroom or program rules.

**“Harassment, intimidation, or bullying”** can take many forms including, but not limited to slurs, rumors, jokes, innuendos, demeaning comments, drawings, cartoons, pranks, gestures, physical attacks, threats or other written, oral, physical, or electronically transmitted messages or images which are motivated by race, color, religion, ancestry, national origin, gender, sexual orientation, including gender expression or identity, mental or physical disability or other distinguishing characteristics (physical appearance, clothing or other apparel, socioeconomic status, and weight). Incident Reporting Form may be used by students, families, or staff to report incidents of harassment, intimidation or bullying.

As defined by Charlotte Preparatory School:

- Physically harms a student or damages the student’s property

**Hazing** is a type of harassment, intimidation or bullying that occurs when an act is committed against a student or a student is coerced into committing an act that creates a substantial risk of harm to the student or to any third party in order for the student to be initiated into or affiliated with any school group, club, grade level, activity or organization.

Hazing includes but is not limited to:

- Any activity involving an unreasonable risk of physical harm, including paddling, beating, whipping, branding, electric shock, sleep deprivation, exposure to weather, placement of harmful substances on the body, and participation in physically dangerous activities.
- Any activity involving the consumption of alcohol, drugs, tobacco products, or any other food, liquid, or other substance that subjects the student to an unreasonable risk of physical harm.

## **Section 10: Device, Network and Internet Use Agreement**

Advances in telecommunications and other related technologies have fundamentally altered the ways in which information is accessed, communicated, and transferred in our society. Such changes are driving the need for educators to adapt their means and methods of instruction, and the way they approach student learning, to harness and utilize the vast, diverse, and unique resources available on the Internet. Our Charlotte Preparatory School Board of Trustees is pleased to provide Internet services to its students. The Board encourages students to utilize the Internet in order to promote educational excellence in our school by providing them with the opportunity to develop the resource sharing, innovation, and communication skills and tools which will be essential to life and work in the 21st century. The instructional use of the Internet will be guided by the Board's policy on Instructional Materials.

Charlotte Preparatory School views the use of computer facilities as a privilege, not a right, and seeks to protect legitimate computer users by imposing sanctions on those who abuse the privilege. All users have the responsibility to use these resources in an effective, efficient, ethical and legal manner.

Violation of policy may result in suspension of computer privileges, disciplinary review, suspension or expulsion from the school, termination of employment, and/or legal action. Users are expected to report to the Head of School any information they may have concerning instances in which this policy has been or is being violated. Computer users, when requested, are also expected to cooperate with system administrators in any investigations of system abuse. It is expected that users will behave responsibly, ethically, and politely even in the absence of reminders.

All students, staff, and members of the public in general who request access to Internet resources through Charlotte Preparatory School, whether using computers, modems, and/or phone lines owned or controlled by Charlotte Preparatory School or not, will complete and sign an Internet Use Agreement with Charlotte Preparatory School. In the case of individuals under the age of eighteen (18), parental consent and signatures will be required before access will be granted. It is the policy of Charlotte Preparatory School that the cost of any materials secured utilizing the Internet are the responsibility of the individual user or, in the case of a person under the age of eighteen (18), the person who authorizes a network account. This authorization extends to any financial obligation that may be incurred utilizing the network as a source for goods or services. In no circumstances, will Charlotte Preparatory School be liable for any unauthorized purchases made utilizing accounts secured through or equipment owned by our school. The signatures on the agreement are legally binding and indicate the party (parties) who signed has (have) read the terms and conditions carefully and understand(s) their significance.

### **CHARLOTTE PREPARATORY SCHOOL LEARNING DEVICE**

#### **ELECTRONIC DEVICE/ USE AGREEMENT**

This agreement is made effective upon receipt of an Electronic Device, between Charlotte Preparatory School, the student receiving an Electronic Device ("Student"), and his/her parent(s) or legal guardian ("Parent"). The Student and Parent(s), in consideration of being provided with an Electronic Device, software, and related materials for use while a student at OUR SCHOOL, hereby agree as follows:

**Ownership:** Our school retains sole right of possession of the Electronic Device and grants permission to the Student to use the Electronic Device according to the guidelines set forth in this document. Moreover, Charlotte Preparatory School administrative staff retains the right to collect and/or inspect the Electronic Device at any time, including via electronic remote access; and to alter, add or delete installed software or hardware.

**Equipment Provided:** Efforts are made to keep all Electronic Device configurations the same for all students. All systems include ample RAM, hard-disk space, educational applications, wireless network capability. Our school will retain records of the serial numbers of provided equipment. Network security and the acquisition of applications require students to use ONLY Charlotte Preparatory School devices.

**Damage of Loss of Equipment:** The Student is responsible for maintaining a 100% working Electronic Device at all times. The Student shall use reasonable care to ensure that the Electronic Device is not damaged. In the event of damage due to abuse or misuse, the Families and/or the Student will be billed for the full cost of replacement. The repair cost is based on the damage that has been done to the device. In the event the Electronic Device is lost or stolen, the Student and Parent will be billed the full cost of replacement.

**Actions Required in the Event of Damage or Loss:** Report the problem immediately to the teacher and Head of School. The Student will sign a document stating the problem with the Electronic Device and will sign the document again once the repairs have been made.

**Technical Support and Repair:** Charlotte Preparatory School will provide technical support, maintenance and repair.

**Responsibility for Electronic Data:** It is the sole responsibility of the Student to backup necessary data. It is good practice to back up, duplicate, or archive files to an independent storage space. All Students will have access to a Microsoft e-mail. Do NOT sync the Electronic Device to any computer at school or home.

**Responsibility for Installed Software:** The Student may not install or uninstall any software to the Electronic Device without prior approval from the Head of School. Operating System and Application updates will be run from a central location and all applications will be “pushed” to the Electronic Device from our technology cloud for download. Students may not install VPNs or Proxy Servers to their device. Students may also not install any web browser extensions that are not approved by teachers, Head of School or the IT department. Students may ONLY download Music that is approved in advance by a teacher for a class project as long as it is not protected by copyright laws.

**Monitoring:** Charlotte Preparatory School will monitor Electronic Device use using a variety of methods – including electronic remote access – to assure compliance with Charlotte Preparatory School’s Legal and Ethical Use Policies.

**Customizations:** Students are not permitted to put stickers, paint, or nail polish on their school laptop or use any other method to decorate or deface the laptops or laptop cases.

## **NETWORK & INTERNET**

We are pleased to offer students access to the school computer network. Access to the network and Internet will enable students to explore thousands of libraries, databases, and bulletin. Use of the Internet at Charlotte Preparatory School must be in support of education and research and be consistent with the educational objectives of the school. Internet access is coordinated through a complete association of government agencies, regional, and state networks. In addition, the smooth operation of the network relies upon the proper conduct of the end users who must adhere to strict guidelines. Charlotte Preparatory School does not assume responsibility for individuals using the network, but does acknowledge its responsibility to the Internet community to enforce accepted standards of the net protocol and its obligation ongoing and intentional misuse of the Internet resources. Acceptable use of the Internet resources is based on its original purpose which is to provide a back-bone network to support research and education in and among academic institutions in the United States by providing access to unique resources and the opportunity for collaborative work. While Internet communications between individuals are considered to be private and every effort is made to ensure their security, the user should be aware that the Internet security is tenuous at best and that network service providers are required to report to the proper legal authorities any illegal activities.

Misuse of names and passwords can result in the cancellation of network privileges and other penalties. Malicious attempts to harm or destroy data of another user, the Internet or any agency connected to the Internet backbone, including the loading or computer viruses or worms, is a violation of federal law. While the Internet itself has virtually boundless resources, the availability of local communication and storage resource is limited. Since list servers and mail servers can generate a significant amount of data to be stored, users must limit themselves to no more than two (2) of these resources. Users are expected to "clean up" their mailboxes at appropriate times so as not to create a storage problem of the host server. The Internet service provider will monitor user activity and terminate any sessions where resources are in use, but inactive for a period of more than fifteen (15) minutes. The use of the Internet is a privilege, not a right. Inappropriate use may result in the termination of the privilege. Internet activity which violates the rules and policies of Charlotte Preparatory School will subject the user to appropriate disciplinary sanctions.

Families should be warned that some material accessible via the Internet may contain items that are illegal, defamatory, inaccurate or potentially offensive to some people. To protect student access to objectionable material, filtering software has been activated on the school network. While our intent is to make Internet access available to further educational goals and objectives, students may find ways to access other materials as well. We believe that the benefits to students from access to the Internet, in the form of information resources and collaboration, exceed any disadvantages. For security and administrative purposes, the school reserves the right for authorized personnel to review system use and file content. User files and communications are not to be considered private or confidential. Students are responsible for good behavior on school computer networks just as they are in school classrooms. Individual users of the networks are responsible for their behavior and communications over those networks.

All aspects of Charlotte Preparatory School's Acceptable Use Policy remain in effect. We will provide content filtering within the Charlotte Preparatory School network and outside of the network. However, Charlotte Preparatory School does not have full control of the information on the Internet or incoming

email from a non-Charlotte Prep email provider. Any use of a VPN, Proxy Server or hotspot to circumvent the school firewall or content filter is strictly prohibited.

### **Social Media Policy**

Employees are prohibited from interacting with students via social networking platforms and websites that are not strictly educational in nature. Specifically, employees are not to “friend” current students on social networking sites such as Facebook. Employees are welcome to “fan” the Charlotte Preparatory School Facebook page, and the School recognizes that some limited professional interaction may take place in that forum. Correspondence with students should occur via regular email using both the student’s and employee’s Charlotte Preparatory School email accounts. Employees should exercise good judgment, common sense, and professionalism when deciding whether to “friend” alumni age 18 or older, as well as in everything they write and post online, including times when the employee is not acting specifically for the School.

### **CYBERBULLYING AND/OR ONLINE BULLYING**

Cyber bullying or online bullying is a term used to refer to bullying over electronic media, usually through instant messaging and e-mail. Other terms for cyber bullying are electronic bullying, electronic harassment, e-bullying, mobile bullying, online bullying, digital bullying, or internet bullying.

Charlotte Prep considers cyber bullying to be the use of any electronic communications device to convey a message in any form (text, image, audio or video) that is lewd, vulgar, defames, intimidates, harasses or is otherwise intended to harm, insult or humiliate another in a deliberate, repeated, hostile or unwanted manner under a person's false or true identity. In addition, any communication of this form which disrupts or prevents a safe and positive educational or working environment may also be considered cyber bullying.

2. To transmit obscene, abusive, or sexually explicit language.
3. To violate any local, state, or federal statute.

8. Personal information such as home telephone numbers, names, and addresses should not be shared over the net.

Do not use the network or Internet to surf the net.
14. Do not use the school network for commercial or political purposes.
15. Protect the security of any passwords.
16. Maintain personal safety when utilizing interactive communication tools, such as wikis or blogs, by not sharing personal information.
17. File-sharing and File-sharing Programs: The installation and/or use of any Internet-based file-sharing tools are explicitly prohibited. Filesharing programs and protocols like BitTorrent, Limewire, Kazaa, Acquisition and others may not be used to facilitate the illegal sharing of copyrighted material (music, video and images). Individuals with legitimate, school-related needs to use these tools may seek prior approval from the Head of School.
18. Do not use the school e-mail account for outside purposes. It is only used for educational communication between teachers and students. Students are not allowed to check their personal e-mails at school.

### **Digital Classroom Procedures**

- Students will gently get the computer from the charging station each day.
