## **Charlotte Preparatory School's** **2022 Alumni Scholarship**

Charlotte Prep is pleased to announce the inception of an alumni scholarship for the 2022 graduating class. The first eligible group for this award will be the Grade 8 Charlotte Preparatory Class of 2018, inspiring each class moving forward to benefit from this opportunity. The Charlotte Preparatory alumni leave a tradition of excellence that resonates with our current student population and staff, and we want to recognize how much we appreciate all prior graduates. We are offering this scholarship as a result of monies we invested a few years ago that were earmarked for future scholarships for current students and alumni. We are using a portion of the dividends from that investment to support our current and former students.

We would like to recognize our graduates' efforts and excellence by implementing an annual scholarship. If awarded, students considered for this recognition will earn a one-time allocation that may be used at the recipient's discretion for several needs – gas, books, tuition, or dorm accessories. Special consideration for this award will be taken for graduates who have spent significant time volunteering at Charlotte Preparatory School outside of traditional school hours. We believe that students who volunteer at our school help to foster a growth mindset for all stakeholders and we are consistently seeking to add volunteers.

Charlotte Preparatory graduates learn and apply the core values that make our school exceptional and innovative. Their steadfast adherence to learning, support of a healthy sense of community, and dedication to service learning and volunteering are the hallmarks of Charlotte Prep. These experiences have served our graduates well and will provide a strong foundation for their future careers.

The scholarship will open on April 1st, 2022 and close on May 1st, 2022.
