For Parents of Two Year Olds

I am TWO...

I was not built to sit still, keep my hands to myself, take turns, stand in line, or keep quiet all the time.

I need: motion, novelty, adventure, and to engage the world with my whole body. LET ME PLAY! (Trust me, I'm learning)

Parenting 2 year olds is one of the most rewarding and challenging time periods. Charlotte Academy will be starting a class for parent's of two year olds. It is our desire to offer a set of strategies to help you in this fun journey. Join our class and network with a wonderful group of parents .
