

News from Mrs. Fear

Have a wonderful Break

Step Up for Students is an income based scholarship program for students. It is now OPEN ENROLLEMENT FOR NEW AND EXISING STUDENTS www.stepupforstudents.com

The American Cancer Society is calling on all community members to participate in the annual Relay For Life of Port Charlotte on Saturday April 29th at Port Charlotte High School from 10am-10pm. Our theme this year is Dr. Seuss so there is fun for the whole family. The Relay For Life movement is the world's largest fundraising event to save lives from cancer. Uniting communities across the globe, the event celebrates people who have battled cancer, remember loved ones lost, and take action for lifesaving change.

During Relay For Life events, members of each team take turns walking or running around the track or path. Teams participate in fundraising in the months leading up to the event. Relay For Life brings the community embracing their collective power to free the world from the pain and suffering of cancer.

Funds raised help the American Cancer Society provide free information and support for people facing the disease today, and fund cancer research that will help protect future generations.

Teams and individuals can learn more and sign up for the Relay For Life event by visiting www.RelayForLife.org/portcharlottefl or you can give me a call at [941-628-0407](tel:941-628-0407).
